- **Seattle, WA:** Highs in the 70s, partly cloudy [【10↑source】](#) .

Tips and Recommendations

- **National Park Pass:** Consider purchasing the America the Beautiful National Park Pass for \$80, which covers entry to all national parks for a year.
- **Accommodations:** Book in advance, especially for in-park lodging and campgrounds.
- **Fuel:** Fill up your gas tank before entering national parks as fuel stations can be scarce and busy inside the parks.
- **Essentials:** Pack layers for variable weather, a first aid kit, water, and maps or GPS [【10↑source】](#) .

This itinerary covers a range of beautiful and diverse landscapes, ensuring a memorable road trip experience through some of the most stunning parts of the United States.
